

## Proposed 2019 STP Courses

### Toi Ohomai:

**The Programmes will run depending on numbers and are subject to change.** There may be additional courses developed and advertised at a later date.

### Construction and Infrastructure Courses

Are you....practical, detailed, analytical, hands on, out doorsy, adventurous, creative??

This exciting and varied sector is for you if you like to learn by doing. There's a huge amount of construction and infrastructure work to be done in New Zealand over the next decade including broadband rollouts, national road building, energy, water/wastewater and house building. Be a part of building New Zealand from beneath ground up!
